FARMVILLE

The installation of Rev. M. McAllister as president of Hamp-Sidney was the occasion of the highest form of genuine oratory. Judge Mann presided with grace and dignity. Rev. Dr. Moore spoke words of polished eloquence. Professor Thornton of the University, was classic a d beautiful, the student body was splendidly represented by Mr. Goodrich Wilson, while the address of President McAllister was an unsullied gem. Those present who appreciate nobility of speech, high thinking and charm of manner were simply delighted. Dating from that auspicious hour Hampden-Sidney starts out on a new career of prosperity and usefulness. In this future Southside Virginia has its share.

The recent fire in the whiskey at retail store house of Moore, Stokes and Davis on began in the centre of our town and but for the prompt and effective response of our fire fighters, would have done great damage. Our water system is an excellent one and by merely force of pressure the tallest of our buildings can be readily reached. This ought to give us unusual insurance rates.

I am advised that the new hail insurance company, which was recently organized here, is doing a fine busi ess. The mere knowledge of the fact that Mr. W. G. Dunnington is at the head of the enterprise gives all the confidence in it that our farmers need.

Editor Hart is busy managing for the coming editorial gathering at Chase City and then for the trip by water to Boston. When we get out at sea some of the "boys" are going to regret that they are not in their sanctums sending out bills and correcting proofs. Still the trip ought to be a most enjoyable one, and my hope is that it will be.

So far as I know the Democrats of this town and of the surrounding community are pleased with the prospect of having Mr. Lassiter to represent them in the next Congress.

They a ree with him that the General who has made no mistake knew but little of battle.

Saturdays are "red letter" days in the history of our dispensary. The managers are kept busy dealing out the stuff in packages. No drinking is allowed on the premises and where it is done 'no fellow can find out." That it is done, however, no reasonable doubter can be entertained. I am told that in some of the North Carolina towns, in which dispensaries are being operated adjoining the sales rooms are supplied with glasses, ice, etc. and there the old style of "treating" runs high. No such enterprise has been inaugurated with us.

Wood has gotten to be a thing of great moment in the history of our town and will grow in interest as the years come and go. Even one horse loads are now being hauled over a distance of eight to ten miles and that means poor business for man and beast, and quite a tax on purchasers.

May be the earth beneath us is charge l with natural gas and all we have to do is to bore for it, conform it to tubes, strike a match and let her blaze. And if we are not to find natural gas we know that electricity crowds every atom of space, and the time can not be far in the future when it will be made not only to give light to our homes but warmth to our hearth stones.

So far as I am advised our farmers have finished planting tobacco and are not complaining of the stand. In this connection I am reminded that when Sir Walter Raleigh introduced tobacco into Europe Queen Elizabeth became so interested in the weed as to name it the "the witching vegetable."

Mrs. Gov. McKinney is still confined to her home by sickness.

Misses Susie and Pochette M. McKinney, daughters of the late R. J. McKinney will make Roanoke their home in the future.

The Farmville Manufacturing Co is always busy and the wonder to me is where the logs come from.

Our confectioners miss the Normal girls, but are far from idle. When "Charlie" Chappell rests the undertaker will have him in charge.

Miss Daniel, of Charlotte C. H. has been the guest of Mrs. Dr. Crute and she was warmly welcomed to our social circles by a host of Farmville friends. When a student at the Normal she sung herself into the affections of our people with whom she has been a great pet

The Misses Cox entertained at a handsome reception one evening of last week.

Preparations for the summer Normal have all been made and we are ready or teachers and scholars.

Our gardens are yielding abundantly and most of our people are vegetarians for the time being.

Our Ithia water does'nt require the addition of ice to make it acceptable.

The June apple is'nt as much in evidence in our market as it should be Too much rain the farmers say.

We have learned that our two banks are better than one and two livery stables than one. The fact is our most enterprising citizens boast that Farmville is'nt a one-horse town. We have the city conveniences though we don't put on "city airs."

Wedded near Prospect

Quite a pretty home wedding took place near Prospect yesterday morning at the home of Mr. and Mrs. W T Walden, when their daughter, Miss Laura Leatrice became the bride of Mr. J. H. Davis of Lynchburg.

The bride and groom with their attendants, Mr. H. M. Davis, as best man, and Miss Mattie Walden as bridesmaid, entered the beautifully decorated parlor promptly at 11 o'clock and were met at the altar by Rev. A. L. Carson, who, with an impressive ceremony, pronounced them one.

The bride was becomingly attired in a handsome going-away gown of gray silk and carried a shower bouquet of bride's roses, while the bridesmaid wore white and carried sweet peas.

Mr. and Mrs. Davis left on the noon train for their future home in Lynchburg.—Advance.

A Thousand Dollars' Worth of Good.

"I hive been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pains," says A. H. Thorne, a well known coal operator of Buffalo, O. "I got no relief from medicine until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick-dust-like substance and today I have no pain across my kidneys and I feel like a new man. It has done me $1,000 worth of good." Foley's Kidney Cure will cure every form of kidney or bladder disease.

L. E. Smith, Appomattox; W. Woodson, Concord; W. C. Nowlin, Spout Springs.

It is interesting, if surprising, to find that Mr. John D. Rockefeller behaved like an ordinary human being during his voyage across the Atlantic.

Stimulation Without Irritation

In case of stomach and liver trouble the proper treatment is one to stimulate those organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not unnerve or gripe and is mild and pleasant to take.

W. E. Smith, Appomattox; W. Woodson, Concord; W. C. Nowlin, Spout Springs.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition, causes sleeplessness and cheerlessness generally. Diseases of the kidneys are out of order make life miserable.

Kidney trouble has become so prevalent that it is considered by some to be normal. Nearly all pains and aches in the back are due to kidney trouble. If the child complains of backache, it is often told that it has been playing too hard. If a woman has backache, she is told that she is nervous. If the child cannot control the passage, it is yet afflicted with youthful indiscretion. If the woman has not the control, she has womb trouble. If the man has a pain in the back, he has overworked. All of these troubles should be treated as kidney troubles. Begin the treatment with these important organs. The slightest trouble is due to a diseased condition of the kidneys and bladder and may in a short time cause untold suffering.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same remedy. Doan's Kidney Pills relieve the ills of the kidneys and bladder, and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free. Also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

If you would reach the homes of the people in Southside Virginia, especially Appomattox and Buckingham counties, place your advertisement in this paper.

YOU KNOW WHAT WE SHOULD DO.

For whom have we kind words?
For those in dreamless sleep,
Lying with folded hands
While friends above them weep?

We often kiss the brow,
Now so calm and white,
We fain would pierce the gloom
With words of love and light.

Could we but feel again
The presence fond and true,
Of loved ones passed away,
You know what we would do.

We would strive to do one deed
In sympathy and love,
And try each passing day
Our loyalty to prove.

We would forgetful be
Of faults so often seen,
We did not realize
That death could come between.

And we would press our lips
Oft on the dear one's brow,
And speak some loving word
All, all, so useless now.

The tired hands all sore
With labor-worn, we'd press,
In words, fond, loving words,
We'd soothe in tenderness

The sad and wearied heart
Oft trembling with fear,
Dear all the burdens that we could,
Yes that is what we'd do.

Before death comes to steal
Our hearts so fond and true,
In love and loyalty
Let's know what we should do.

The esteemed correspondent from Sheppards is a little off in charging the "cutting and shooting" negroes to Maysville District. Ellis and Turpin are Curdsville District men Joe Cobbs came from West Virginia here and Miss Mary Allen (she of the infanticide mania) comes from Francisco district and that motor car from Pittsburg was of so much importance as to have its arrival at Richmond prominently mentioned in the daily papers. It left here at 9 or 10 o'clock and reached Richmond at 10 o'clock that night.

Instead of riding on the new railroad to Farmville why not make as big a trip to Sheppards? I'm sure it is a nice place for a town and our correspondent should be the mayor.

In the Methodist parsonage at this place the honey bees found an entrance through the weatherboarding, and between this and the plastering was found a fine lot of clear, nice honey and Mr. H. Blankenship, who helped to rob the hive, was badly stung on his hands.

Mr. Hubert Barksdale and Miss Bessie C. Haskins were married at the home of the bride on Monday the 27th. Misses Minnie Ellis, Minnie and Roy Rogers, Ethelyn Barksdale, Fannie S. Hall and Annie Mundy acted as bridesmaids. Miss Rogers was maid of honor and Messrs. William P. Ellis and John Rogers were the ushers. Rev. George Hinderlite, brother-in-law of the bride, assisted by Rev. Chas. M. Barril, performed the ceremony, and the happy pair left on the C. & O. Ry. for their future home at Meadaville, Halifax county. The groom is a commercial traveller for a Nashville, Tenn. house, and the bride is the youngest daughter of Mr and Mrs. L. C. Moseley. Miss Bessie was a great favorite with her friends and relatives here. She is a very handsome young lady of the pronounced brunette type. The couple were showered with rice when they departed, to say nothing of the proverbial old shoe-throwing which was also indulged in by their friends, who hope for them a long and happy life.

On the Bailey farm, which is now owned by Hon. H. D. Flood, the lightning struck a shock of wheat during a recent storm and the wheat and straw were consumed by fire.

Col. W. W. Forbes was buried in the cemetery at Farmville on Sunday the 1st. He was for a long time a citizen of this county and served in many positions of trust and honor, having been sheriff of this county, served in the convention which met before the civil war to change the Constitution. He was postmaster of Richmond, and at one time Registrar in Bankruptcy. I have heard old people say he was exceedingly popular here. Col. Forbes was a man of polished manners, dignified bearing and fine personal appearance and although an old man he seemed young in feelings and liked the company of young people. He had only one son who died young and is survived by two daughters.

Maysville School Board met on Saturday the 30th and elected teachers as far as practicable. Miss Roy Rogers was appointed at the Bailey school, Miss Fannie Hall at Fossic school, Mrs. Delia Ellis, col. Courth :use, col., and the Board will meet again July 31st.

Cured of Brights Disease.

George A. Sherman, Lisbon Red Mills, Lawrence Co', N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended, but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure."
